

2017 Statutory Assessment Results

SUMMARY OF RESULTS FOR PARENTS/CARERS SUMMER 2017

The information and tables below show the performance of our children against the performance of all children nationally. As a whole cohort, our children generally come in to school at a standard below the national average. By the time they leave our school at the end of Key Stage 2 the cohort are at or, in some cases, above the national average, which indicates good progress. The data below shows attainment (what the children achieved) at the key points in the primary school year. What it doesn't show is the progress made from starting points.

Early Years 2017

This data shows the percentage of children who met the required standard (Good Level of Development – GLD) by the end of Early Years in **11 of the Early Years** areas (Communication and Language, Personal, Social and Emotional Development and Physical Development) and Reading, Writing, Number and Shape, Space and Measures. The Local Authority moderated this early year's data.

Year One Phonic Screening Test 2017

Phonics 2016 (End of Y1)

This national test is administered in June. It tests the phonic knowledge of children, their ability to decode and read words, not their understanding. Children who do not reach the required pass mark are re tested the following year. As you can see from the data, the school performed at the National Average for children taking the test at the end of Year One and above the National Average for those who were re-tested at the end of Year Two.

SAT's 2017

In May 2016 in both Key Stage 1 and Key Stage 2 assessment changed from levels to a judgement as to whether children were working at Age Related Expectations (A.R.E.). For KS2 this included a scaled score, comparing our school with all schools nationally. Schools used the interim framework to support teacher assessment and tests were used at both KS1 (internally marked) and KS2 (externally marked).

Key Stage 1 Results 2017

The following data was moderated and verified by the local authority in June 2017.

Number in Cohort - 27

	Reading		Writing		Maths	
	At Least Age Related Expectations	Working At Greater Depth	At Least Age Related Expectations	Working At Greater Depth	At Least Age Related Expectations	Working At Greater Depth
School	72%	10%	62%	7%	72%	10%
National	76%	25%	68%	16%	75%	21%

Key Stage 2 Results 2017

The reading, grammar and maths tests are marked externally. Writing is assessed by the teacher and moderated across schools. (Our teachers attend regular moderation meetings for the marking of writing led by the Local Authority and with various local schools). The following writing data was moderated and verified by the local authority in June 2017.

Number in Cohort - 26

National	71%	25%	76%	18%	75%	23%	77%	31%

** Please note that one child was absent for the assessments. They completed the tests the following week and achieved the national standard. This would have increased the percentage of children achieving the national standard by 4%*
