Year 5 Homework Challenges – Term 5 (April 2019)

From the activities in the boxes you can select which activity to do each week.
You are expected to complete one per week, although you can complete more if you wish!
Some activities will not take long to complete. Some might need more thinking and research to be completed and offer a challenge in how to complete them.

Merits will be awarded according to the value of the activity!

Be creative in what you do and always ensure your work is your best work! Have fun!

Your homework must be brought to school **every Thursday** to be shared with the class.

1 Merit	1 Merit	1 Merit
Create a book cover for a non-fiction book about inventions.	Create a poster to promote a product	Draw a portrait of a famous inventor.
2 Merits Create an **inventions and inventors** crossword with at least 6 across and 6 down clues.	**2 Merits** Create an Inventors and Invention quiz with **at least 10 questions**. Make sure you know the answers!!	**2 Merits** Find out how a **scientific discovery** has changed our lives.
3 Merits Make a set of "Top Trumps" style cards have inventors and inventions as their focus.	**3 Merits** **Create a timeline** of inventions from either the 19th or 20th century. Choose well-known inventions, or more obscure ones!!	**3 Merits** Write a **detailed** biography about a famous inventor (e.g. Leonardo Da Vinci, Thomas Edison, Tim Berners-Lee).
4 Merits Design and make your own invention	**4 Merits** Research and then write about an invention that has made a massive impact on our lives (e.g the internet, electricity, penicillin).	**4 Merits** Design and make a board game with a focus on inventors and inventions. Test it by playing it with your family!

This pass entitles you to one week where you do not need to complete a piece of homework from the grid. Please write the date of your chosen week on the line.
