

Silver Tree Primary School Sports Premium 2020-2021

Our Sports Premium allowance for the academic year 2020-21 is **£17,580** plus **£4525 carried over from the previous academic year** totalling **£22,105**. The premium will be used to fund additional and sustainable improvements to the provision of PE and sport to encourage the development of healthy, active lifestyles. The Department for Education's vision for the Primary PE and Sports Premium is that ALL pupils leaving primary school should be physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport. We endeavour to see an improvement against the following 5 key indicators:

KEY INDICATORS				
Indicator 1: the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school	Indicator 2: the profile of PE and sport is raised across the school as a tool for whole-school improvement	Indicator 3: increased confidence, knowledge and skills of all staff in teaching PE and sport	Indicator 4: broader experience of a range of sports and activities offered to all pupils	Indicator 5: increased participation in competitive sport
