

## Year 3 Homework Challenges – Summer 1 2021

Read the activities below and choose one to complete for your homework each week. You are expected to complete one per week, although you can complete more if you want to! Some activities will not take long to complete. Some might need more thinking and research and will be more of a challenge to complete. You CANNOT complete the same task more than once!

Dojo points will be awarded based on the value of the activity and the quality of your work!

A clear photo or video of your homework must be handed in on Class Dojo every Thursday, ready to be shared in class. There will be a task set in your portfolio every week for you to add a photograph to and the previous week will be archived.

<p style="text-align: center;"><u>Up to 2 Dojo Points</u></p> <p>Complete the session set on TTRockstars. You must complete the whole session for it to count as completed homework. New sessions will be set each week.</p>	<p style="text-align: center;"><u>Up to 2 Dojo Points</u></p> <p>Write your name in Ancient Egyptian hieroglyphics. You could write your family members' names too!</p>	<p style="text-align: center;"><u>Up to 2 Dojo Points</u></p> <p>Write five similes about the character of the Iron Man from our class text by Ted Hughes. <i>E.g. "The Iron Man was as tall as a skyscraper."</i></p>
<p style="text-align: center;"><u>Up to 3 Dojo Points</u></p> <p>Use household objects to explore finding fractions of different amounts. For example, you could find <math>\frac{1}{3}</math> of 24 using 24 buttons, Lego bricks or pens.</p>	<p style="text-align: center;"><u>Up to 3 Dojo Points</u></p> <p>Complete your 'Ancient Egypt Activity Book' that you were given at school. Upload a few pictures of your work to prove you have finished the whole book.</p>	<p style="text-align: center;"><u>Up to 3 Dojo Points</u></p> <p>Go on a shape hunt around your house. Write down the different 2D and 3D shapes you find. <i>E.g. I found a cereal box, which is a cuboid.</i></p>
<p style="text-align: center;"><u>Up to 4 Dojo Points</u></p> <p>Go on a bike ride and write a diary entry about it. You could even mention the forces you experienced!</p>	<p style="text-align: center;"><u>Up to 4 Dojo Points</u></p> <p>Write a 'forces' quiz for the class to have a go at. Try to write between 5 and 10 questions that will test us on what we have learned in science this half term.</p>	<p style="text-align: center;"><u>Up to 4 Dojo Points</u></p> <p>Conduct some research into one of the Ancient Egyptians gods and write a fact file about them.</p>
<p style="text-align: center;"><u>Up to 5 Dojo Points</u></p> <p>Make a model of The Iron Man from our class novel by Ted Hughes. You can make your model using <b>any</b> materials you wish, such as foil, clay, cardboard, papier-mâché or Lego!</p>	<p style="text-align: center;"><u>Up to 5 Dojo Points</u></p> <p>Create a jumping game on Scratch. You should show your sprite experiencing gravity by programming it to come back down after it jumps up.</p>	<p style="text-align: center;"><u>Up to 5 Dojo Points</u></p> <p>Create a model of a pyramid (this model should be different from the one in your activity book). You can make your model using <b>any</b> materials you wish, such as playdough, sand, papier-mâché, Lego or even food!</p>

This pass entitles you to **one** week where you do not need to complete a piece of homework from the grid. Please write FREE PASS in to the task on your portfolio on Class Dojo.
