

## Homework Challenges

This half term you have a choice of homework!

You are expected to complete one per week, although you can complete more if you wish!

Some activities will not take long to complete. Some might need more thinking and research to complete and offer a challenge in how to complete them.

**Be creative in what you do and have fun!**

**Homework should be uploaded to Class Dojo by FRIDAY MORNING at the latest, so that we can share and celebrate homework on Friday afternoon!**
