

Year 3 Homework Challenges – Autumn 2 2021

Read the activities below and choose one to complete for your homework each week. You are expected to complete one per week, although you can complete more if you want to! Some activities will not take long to complete. Some might need more thinking and research and will be more of a challenge to complete. You CANNOT complete the same task more than once!

Dojo points will be awarded based on the value of the activity and the quality of your work!

A clear photo or video of your homework must be handed in on Class Dojo every Thursday, ready to be shared in class on Fridays. There will be a task set in your portfolio every week for you to add a photograph to and the previous week will be archived.
