

Homework Challenges

This half term you have a choice of homework!

Some activities will not take long to complete. Some might need more thinking and research to complete and offer a challenge in how to complete them.

Be creative in what you do and have fun!

Homework should be uploaded to Class Dojo by FRIDAY MORNING at the latest, so that we can share and celebrate homework on Friday afternoon!

(If you are completing a memory activity there is nothing to upload).

2 merits (memory) Be ready to answer 5 random times tables questions from the 2, 3, 5 and 10 times tables	2 merits (memory) Learn how to say a sentence in French and what it means!	2 merits (memory) Learn 5 spellings from the 3/4 spelling list (not the current week's spellings!)
4 merits (memory) Be ready to answer 5 random times tables questions from the 4, 6, 9 and 11 times tables	4 merits Create a map of Roman Britain. Try to include as many Roman place names and features as you can!	4 merits Create a drawing or artwork of your choice! It needs to be colourful!
6 merits (memory) Be ready to answer 5 random times tables questions from the 7, 8, and 12 times tables	? merits MYSTERY HOMEWORK! This is your chance to show off! Learn a dance or song, write a story, it's your time to shine!!!	6 merits Get a seven-day streak on Doodle (any Doodle!)
8 merits Watch an episode of Horrible Histories and write a report on what you have found out.	8 merits Google "Marvin and Milo" and complete one of the science experiments! Be sure to upload a video of the experiment.	10 merits Read a book from start to finish (not one from the school library) and be prepared to explain what it was about and what you liked most! (It has to be at least 100 pages long and you have to bring it in to school!)
