

Year 3 Homework Challenges – Spring 1 2022

Read the activities below and choose one to complete for your homework each week. You are expected to complete one per week, although you can complete more if you want to! Some activities will not take long to complete. Some might need more thinking and research and will be more of a challenge to complete. You CANNOT complete the same task more than once!

Dojo points will be awarded based on the value of the activity and the quality of your work!

A clear photo or video of your homework must be handed in on Class Dojo every Thursday, ready to be shared in class. There will be a task set in your portfolio every week for you to add a photograph to and the previous week will be archived.

<p style="text-align: center;"><u>Up to 2 Dojo Points</u></p> <p>Complete the session set on TTRockstars. Please remember to upload a photo or a screenshot of your completed session to Class Dojo.</p>	<p style="text-align: center;"><u>Up to 2 Dojo Points</u></p> <p>Draw/ write your name in Ancient Egyptian hieroglyphics. You could write your family members' names too!</p>	<p style="text-align: center;"><u>Up to 2 Dojo Points</u></p> <p>Ask your parent or carer if you can borrow some coins. Then sort the coins into different groups and write a number sentence to match, e.g. 10p + 2p = 12p or 2 x 5p = 10p.</p>	
<p style="text-align: center;"><u>Up to 3 Dojo Points</u></p> <p>Write a Haiku poem based on either our history topic (Ancient Egypt) or our science topic (animals). A Haiku poem has three lines: the first has 5 syllables, the second has 7 and the last one has 5.</p>	<p style="text-align: center;"><u>Up to 3 Dojo Points</u></p> <p>Create a chart to represent some data. For example, you could ask your family and friends to choose their favourite animal out of a few options and then represent that data in a bar chart or a pictogram.</p>	<p style="text-align: center;"><u>Up to 3 Dojo Points</u></p> <p>Draw a picture of a healthy meal on a plate and add labels. Try to include items from some of the different food groups so that you create a balanced meal.</p>	
<p style="text-align: center;"><u>Up to 4 Dojo Points</u></p> <p>Make a human skeleton craft. You could do this using strips of paper and split pins, by gluing paper straws onto card or even using dog biscuits - the possibilities are endless!</p>		<p style="text-align: center;"><u>Up to 4 Dojo Points</u></p> <p>Design a circuit of exercises that will work different muscle groups in your body. Then create your circuit around your home/ garden or at the park and enjoy completing your exercises! Remember to upload your design plan and a photo of your circuit.</p>	<p style="text-align: center;"><u>Up to 4 Dojo Points</u></p> <p>Conduct some research into one of the Ancient Egyptians gods and write a fact file about them.</p>
<p style="text-align: center;"><u>Up to 5 Dojo Points</u></p> <p>This term we are reading <i>Varjak Paw</i> by S. F. Said. Can you write your own adventure story about a cat? Try to be as creative and make it as exciting as possible! (Maximum 500 words)</p>	<p style="text-align: center;"><u>Up to 5 Dojo Points</u></p> <p>Visit the Oriental Museum in Durham to find out more about Ancient Egypt. Visits are currently free but you must pre-book. Remember to take photos so you can share your visit with the class!</p>	<p style="text-align: center;"><u>Up to 5 Dojo Points</u></p> <p>Create a model of a pyramid. You can make your model using any materials you wish, such as playdough, sand, papier-mâché, Lego or even food.</p>	

This pass entitles you to **one** week where you do not need to complete a piece of homework from the grid. Please write FREE PASS in to the task on your portfolio on Class Dojo.
